

The Nice Côte d'Azur Apprenticeship Training Centre

Previously managed by Carros town council, the **Apprentice Training Centre of Carros** now called '**CFA Metropole Nice Côte d'Azur**', **University of Trades** joined the Metropolis Nice Côte d'Azur on 1 January 2017.

Apprenticeship is a **sector of excellence** which meets the real needs of the region and delivers qualifications and an effective entry in the world of work, as close as possible to economic realities.

As the **leading training centre in the Provence-Alpes-Côte d'Azur region**, the CFA participates fully in reaching the regional target of **50,000 apprentices** by the end of the current regional council's mandate. Its role is to adapt to changes in the urban area's economic changes and meet the training needs of companies for future staff, whether they are employees or company managers over the long-term

CFA's partners

Objectives:

- ▶ Update the training programmes in line with the needs of local companies
- ▶ Ensure the long-term sustainability of CFA Carros, as the leading training centre for apprentices (in terms of numbers and quality) in the department
- ▶ Enable graduates to join the labour market quickly
