Cross-border cooperation

A certain number of European projects are being launched between the Metropole Nice Côte d'Azur and Italy, as part of the MARITTIMO and ALCOTRA programmes.

MARITTIMO programme (France-Italy)

SMART DESTINATION, on tourism database interoperability with CARF, the Liguria region, the Tuscany Region and Sardinia to enable private companies to promote and market cross-border tourism services

RUMBLE, on testing innovative methods and sensors to monitor and mitigate noise pollution in Nice harbour

ALCOTRA programme (France-Italy)

PITEM INNOVATION on 'Innovation in the health sector and silver economy, 'competitiveness of companies and the circular economy', and 'digital service interoperability'

PITEM OUTDOOR to develop the metropolitan journey waypoint strategy, in particular cross-border waypoints for the 'salt routes.'

PITEM HERITAGE on measures to promote and increase professionalism in French-Italian cultural heritage (digitalising this cultural heritage)

PITEM BIODIVERSITY to implement measures to test the effect of light pollution on wild pollinators, and develop the regional system of 'a cross-border network of land and sea wildlife corridors between Nice and Cuneo

PROSOL PITEM to propose prevention workshops for vulnerable members of the community and set up cross-border actions to facilitate work-life balance, and combat gender stereotyping

PITEM MOUNTAIN the Metropole will lead the Plan and coordinate the tourism work packages

PITER LITTORAL the Metropole will be a partner of the plan for training, energy, promotion of tourism products and agriculture measures

Objectives:

- ▶ **Resolve common problems jointly identified in the border regions**
- ▶ **Improve cooperation processes for a harmonious development of the Union**
- ▶ **Exploit the unused potential of border regions**

Key figures

€300m

European for cross-border cooperation in the eligible Metropole area

80 Km

Which has a European border with Piedmont and an international border with the Principality of Monaco

Schedule

2017

Launch of preparative study for the cross-border cooperation

Submission of Alcotra
Submission of Marittimo

2018

Implement the cross-border cooperation

*In collaboration with the Principality of Monaco, and Italian cross-border local authorities, the cross-border cooperation plan sets out the strategic sectors which are consistent with the Regional innovation Economic Development and Internationalisation plan (SRDEII), the Regional development, sustainable development and equal opportunities plan (SRADDET), and the Regional Interest Projects (OIR) of the Provence-Alpes-Côte d'Azur Region.
